JULY 2026

Highlights of the month

- **Doctor's Day** was celebrated with an interesting talk by Dr.Faisal on the importance of medicines and staying healthy.
- **Van Mahotsav** was a super hit amongst the children. They learned about the significance of a tree, planting and nurturing one. Children brought plant saplings to school and participated in the activity.

- **Food Safety Day** was observed to draw attention to the importance of consuming hygienic & safe food daily. Safe cooking practices were also broached to the young minds.

- **Orange Day**
Children engaged in a hands-on activity of preparing tangerine juice of freshly procured tangerines from the market. This way, children are made to strengthen their fine motor skills.

- **International Tiger Day**

Tiger Tiger burning bright, in the forests of the night “

A roar for conservation

With the theme of “let them not fade away” the tiger day was observed in school with children dressed in tiger attire and dancing to the Tiger anthem song.

Attractive take home craft was also sent to throw spot light of the endangered species of the largest big cats, The Tiger

Curricular & Co-Curricular Updates

Dear ADHYAAN Family,

As we sail through the second academic month, we are delighted and happy that all children have settled in and the rhythm and routine has been established.

We have rolled out a unique curriculum which is based on the concept of Belonging, Being, and Becoming”.

It emphasizes that children need secure relationships (belonging), time to play and experience the present (being), and ongoing growth and identity formation (becoming).

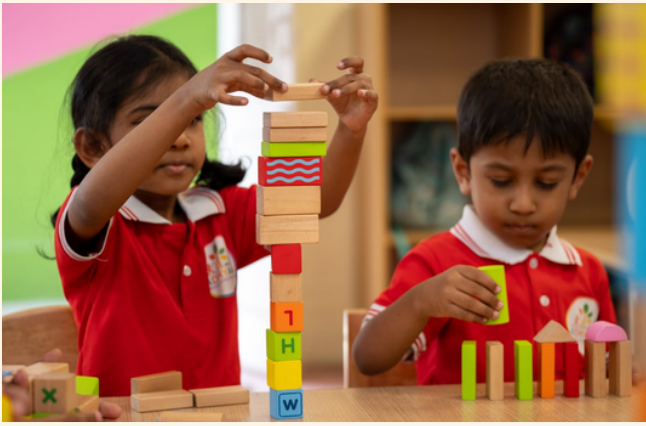

This educational philosophy outlines three core tenets that shape how educators approach a child's early development and learning.

At Adhyaan, we ensure a secure, respectful, and reciprocal relationship for the students parallelly partnerships with families.

- Nutritious fruit snack provided daily.
- Weekly sessions of Karate & Dance
