Adhyaan - play with purpose

Dear Adhyaan Families,

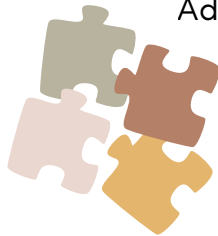

We've officially settled into the rhythm of the school year, and the school is buzzing with energy!

This month, brought exciting moments of learning, assimilation of concepts, and community spirit.

Thank you for being a vital part of everything we do at Adhyaan International Preschool.

Highlights of the month

- School reopened for the academic year 2026-2027
- Congratulations to all the Parents for choosing Adhyaan International Preschool as the learning destination for their child!

MOMENTOUS CELEBRATIONS AT ADHYAAN

WORLD ENVIRONMENT DAY

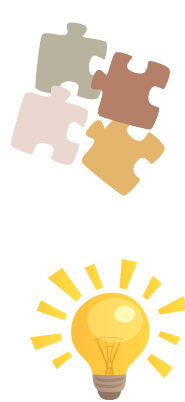

World Environment Day, celebrated annually on 5th June, is the perfect time to teach students about the planet. Through simple activities like dry leaf craft, and recycling of material and talking about saving water, children learn early habits that make them life long protectors of nature.

INTERNATIONAL YOGA DAY

Children engaged in performing simple yoga poses that ensured more flexibility and resilience.

FATHERS DAY

Children made lovely greeting cards for their daddies and expressed their love for their fathers.

Upcoming Events

Doctor's day-1st July, Wednesday
Van Mahotsav-10th July, Friday
Food safety day -17th July, Friday
Orange colour Day- 24th July, Friday
Global Tiger Day - 29th July, Wednesday

At Adhyaan, we make every child feel special and unique. Birthday celebrations are held with joy and gaiety.

Learning Curve Updates

At Adhyaan International Preschool, we as educators strongly believe, that learning is a beautiful and gradual process. Assimilation of Information primarily happens through play, exploration, and structured, hands-on activities.

Rather than traditional desk work, children develop foundational academic, social, motor, and emotional skills—such as sharing, early math concepts, and letter recognition—in a joyful, safe environment designed to prepare them for formal schooling.

The learning curve is a condensed update that will be shared daily with parents for them to know what their ward has been taught at school.

AT ADHYAAN WE FOCUS ON
THE 7 KEYS AREAS OF
LEARNING

- NUMERACY
- LITERACY
- ART & CRAFT
- ROBOTICS
- CONSTRUCTION & ENGINEERING
- MUSIC
- SCIENCE

Thank You
